TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this “Trademark Security Agreement”) is entered into as of April 30, 2021, among the Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), and JPMORGAN CHASE BANK, NATIONAL ASSOCIATION, in its capacity as Administrative Agent (the “Administrative Agent”) for the Secured Parties as defined in the Credit Agreement referred to below.

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement dated as of April 30, 2021 (as amended, restated, supplemented, extended, renewed or otherwise modified from time to time, the “Credit Agreement”), by and among The Honest Company, Inc., a Delaware corporation (the “Borrower”), the other Loan Parties party thereto, certain financial institutions party thereto (each a “Lender”, and collectively, the “Lenders”) and the Administrative Agent, Lenders have agreed to make Loans to, and incur obligations with respect to the issuance of Letters of Credit for the benefit of, Borrower;

WHEREAS, in order to induce Administrative Agent and Lenders to enter into the Credit Agreement and other Loan Documents and to induce Lenders to make the Loans and to incur obligations with respect to the issuance of Letters of Credit as provided for in the Credit Agreement, Grantors have agreed to execute and deliver to Administrative Agent, for the benefit of the Secured Parties, that certain Pledge and Security Agreement dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Administrative Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used herein (including in the preamble and recitals hereto) but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Each Grantor hereby grants to Administrative Agent, for the benefit of the Secured Parties, a continuing first priority security interest in all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired or arising in favor of such Grantor (collectively, the “Trademark Collateral”):

(a) all of its Trademarks now or hereafter acquired or arising and registered and Trademarks licensed under any Licenses, to the extent permitted by such Licenses, to which it is a party, including, without limitation, those referred to on Schedule I hereto;

(b) all renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark licensed under any License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any License;

provided, in each case, to the extent that it constitutes Collateral (as defined in the Security Agreement).

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Administrative Agent, the Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks or service marks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors hereby authorize Administrative Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Trademark Security Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Trademark Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and

assigns. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by telecopy or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein to any Person shall be construed to include such Person’s successors and assigns.

8. TERMINATION. This Trademark Security Agreement shall continue in effect (notwithstanding the fact that from time to time there may be no Secured Obligations outstanding) until the Secured Obligations are Paid in Full.

9. CHOICE OF LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
